

For Sale

FLAME is a 7yo 12.2hh Welsh Mountain Pony Mare (unreg) stunning looks and personality to boot. Flame has been shown in hand with success and has also been handled by my 7yo son at a gymkhana and took it all in her stride.

Happy to go to outings/show's in company or alone. Ready to be broken in properly which shouldn't take much as she is happy having the kids and myself sit on her etc.. I have also had her saddled up and lunging nicely and she was great. Has had 1 foal so could also be used as a broodmare, but I think the show ring is calling first! Not for sale due to any fault of her own, just limited time on my side.

\$2,500 OBO to the best of homes only. Please no time wasters as this is a genuine and sad sale.
